TESTING REQUIREMENTS

Beginning with students entering 9th grade in the 2008-09 school year, every student shall demonstrate mastery of the state academic content standards in the following subject areas in order to graduate from a public high school with a standard diploma. Mastery is Satisfactory or Advanced. **Students have to master English II & Algebra I and at least 2 of the other 5 tests.** Students will be given testing opportunities to retake tests not mastered during December, April, and June of each year. (Check with Mrs. Stump)

- _____ **English II,** and
_____ **Algebra I,** and two of the following:
_____ English III
_____ Algebra II
_____ Geometry
_____ Biology I
_____ U.S. History

Beginning with students entering the 7th grade in the 2008-2009 school year, in order to graduate from a public high school, students must complete and demonstrate satisfactory knowledge in 14 areas of instruction related to financial literacy, including such topics as credit card debt, saving money, interest, balancing a checkbook, understanding loans, identity theft, and earning an income. School districts have the option of determining when the areas of instruction are taught and whether these are integrated into existing courses or taught as a separate course (which may count as an elective credit). Contact your local school district officials for specific details.

24 UNITS are required in order to meet Mooreland graduation requirements. [†]The local school board's graduation requirements may exceed the state graduation requirement of 23 units.
